Dear Michele Chituk,

I would like to highly recommend Gabrielle Martin for a position at Stony Brook Medicine. During Gabrielles tenure at NetLead, Inc., dba OnTop Visibility she demonstrated critical skills that would make her an excellent employee for any organization.

Gabrielle conducted herself with professionalism and continuously brought fresh ideas to me which made her an invaluable member of our web design team. She was always able to express her creative ideas effectively in internal department meetings as well as forward facing meetings with clients. Our agency is a fast paced environment with multiple projects being completed at the same time, Gabrielle was able to work independently and efficiently multi-task to ensure time sensitive projects were completed on time.

Gabrielle would be an asset to any employer, I wholeheartedly recommend her for any endeavor she chooses to pursue. Please let me know if you have any questions, I would be happy to speak with you further about Gabrielle.

Sincerely,
